DATE: October 2, 2007

TO: ALL NCGA HANDICAP MEMBERS OF EWGA-SMN

RE: ANNUAL HANDICAP INDEX RENEWAL FOR 2008

Greetings! It's time to renew your annual membership in the Northern California Golf Association, the organization through which our Chapter establishes and maintains your Handicap Index. **The cost to renew for 2008 is \$35 if you renew now.**

To ensure that there is no interruption in the accessibility and maintenance of your Handicap Index, your renewal form must be received by Handicap Chair Sue Thompson **no later than December 10th** for processing. After that date, a \$45 charge to re-activate a lapsed GHIN number will be required. Inactive status for non-renewing NCGA members begins January 1st.

As you know, there are other organizations through which you can obtain a handicap, including EWGA/Golf Life Management system. If you choose to use another organization, however, you will need to make those arrangements yourself.

Please don't run the risk of not having an index when it may be required for an event...Complete and return the bottom portion of this notice by December 10th!
